

The idea of a mission hospital for the indigenous people of the Peruvian highlands is a great vision. You can help us to keep this dream alive by your financial gifts. Donate now.

Every single dollar donated will enable us to address the needs of these unfortunate Quechua people. Even small donations add up to a substantial sum of money.

Please join Diospi Suyana as a supporting member. Faithful donations are the best means of providing long-term ministry.

Perhaps you want to consider collecting money on your birthday for Diospi Suyana instead of piling up presents. You can organize a rummage sale, host a fundraising event or have a bake sale at a church retreat.

In the USA we have received recognition as a non-profit organization by the Internal Revenue Service.
