

### **Missionary doctors John with Johannes B. Kerner in the fundraising gala “A heart for the children”**

Yesterday evening Dr Martina and Dr Klaus-Dieter John took part in this year’s fundraising gala. The ZDF (the German equivalent of BBC2) had invited the founders of Diospi Suyana who had specially flown in from Peru. Roughly 80 political, sporting and show-business stars were present at the event. Johannes B. Kerner moderated the show for the seventh time.

Through the live-broadcast in the ZDF many millions heard about our work in Peru. Click on the below link to listen into the report.
