

We are offering the opportunity to sponsor a student from a low-income family and thereby assume an important responsibility for the child. As his or her sponsor, you would receive regular correspondence about your child's development.

More information about the sponsorship program will appear on this site soon.

If you are interested in sponsoring a child, please contact Ms. Debora Centner: [debora.centner@diospi-suyana.org](mailto:debora.centner@diospi-suyana.org).
